are secured by a mortgage to Shepherd Knapp, Esq., et New York, in trust for the bond-holders. They are issued under acts of the Legislature of Indiana

authorizing their issue and the mortgage as above, to secure the same. The amount of bonds to be thus usued

now offered for sale.

The morrgage covers the whole road of the Company in Indiana, and is the first and only hen there on.

This embraces the entire line from its connection at the State line of Michigan with the Michigan Southern read

(of which it is an extension) through Eikhart, Mishawaka, 190 miles: a line to and from Michigan City of about 26 miles, connecting with the same, and a line of 10 miles from Elkhart to Goshen-making in all about 135 miles of road. The Company hold also, by lease and centract, a line from the western boundary of Indiana to Chicago, of about 13
